## SUMMARY

Motivated Electrical & Electronics Engineering student with 9.6 CGPA and hands-on experience in solar manufacturing, production, quality inspection, and electrical systems. Skilled in AutoCAD, MATLAB/Simulink, Arduino, IoT, C, and Python. Seeking an entry-level electrical engineering opportunity to apply technical, analytical, and problem-solving skills.

## EDUCATION

|                                         |                                                                                    |
|-----------------------------------------|------------------------------------------------------------------------------------|
| Vemu Institute of Technology            | B.Tech, Electrical & Electronics Engineering   CGPA: 9.6   Expected 2027           |
| Bheema Institute of Technology          | Diploma, Electrical & Electronics Engineering   86%   Diploma Gold Medallist, 2024 |
| AP Model School, Mugathi,<br>Yemmiganur | 10th   80%   2021                                                                  |

## PROJECTS

### Automated Solar Tracking System

- Developed an Arduino-based solar tracker using LDR sensors and a servo motor to automatically adjust panel orientation.
- Achieved approximately 25% improvement in power efficiency compared with a stationary setup.

**Other Technical Projects:** Automatic Street Light Control, Over/Undervoltage Protection, Water Level Controller, Rain Detector, DC-AC Inverter, Smart Irrigation, Bluetooth Home Automation, Prepaid Energy Meter, Ultrasonic Object Detector, Solar Mobile Charger.

## TECHNICAL SKILLS

**Electrical:** Power Electronics, Electrical Machines, Renewable Energy, Electrical Protection

**Software:** AutoCAD, MATLAB, Simulink, MS Office, Adobe Photoshop

**Programming / Embedded:** C, Python, Arduino, IoT

**Other:** Project Development, Photo & Video Editing

## ACHIEVEMENTS & LEADERSHIP

- Diploma Gold Medallist
- NPTEL Java Programming — Silver Medal
- 1st Prize — Paper Presentation on Regenerative Braking System
- 1st Prize — College Quiz Competition (2 Times)
- President — Cultural Events, leading event coordination and student activities
